Designed for Activity Providers

GET
ACTIVE

A TWO SIDED MARKETPLACE

We are creating a marketplace for session providers to post their sessions and activities to access the demand for those sessions – the demand being Londoners that are looking to book sessions and want to get active, and stay active.

“The Open Table for Physical Activity and Sport”

Open Sessions is a platform that enables sport and activity session providers to post their sessions and access thousands of potential customers local to them, while reducing admin with a hassle free, cash free system.

THE PROBLEM

FOR THE PROVIDER

- 📍 *"My potential customers don't know about my sessions"*
- 📍 *"I have to do admin when I could be delivering sessions"*
- 📍 *"Reconciling session and membership payments is time consuming"*

THE SOLUTION

HOW OPEN SESSIONS WORKS

1 Register for a free account at www.opensessions.io

2 Create and publish the sessions that you run – for free

3 Your sessions will be automatically promoted via these activity finders so your don't have to find your customers – they find you.

WE WANT EVERYONE TO BE ABLE TO FIND THE RIGHT ACTIVITY FOR THEM AT THE RIGHT TIME AND THE RIGHT PLACE – STAY IN IT AND STAY ACTIVE. THE GET ACTIVE ACTIVITY FINDER IS CENTRAL TO ACHIEVING THIS.

THE PROBLEM

ACTIVITY SEEKERS

Two of the biggest barriers that keep activity seekers from booking sessions

- *“I can’t find sessions local to where I live or work at a time that suits me”*
- *“Booking a facility or session is difficult and I don’t know where to go to book”*

THE SOLUTION

HOW GET ACTIVE WORKS

Step 1

Visit www.getactive.io

Step 2

Search for sessions in your area for a time and budget that suits you

Step 3

Book and pay for your session using our secure online payment system*

*Book and pay for your session is currently available on a limited number of sessions. It's our aim to make every session bookable.
