The background is a dynamic composition of overlapping triangles in various shades of orange and yellow. The triangles vary in size and orientation, creating a sense of movement and depth. The colors range from a light, pale yellow to a deep, rich orange. The text "EVENT SPACE" is centered in the middle of the image, rendered in a bold, white, sans-serif font. The overall effect is modern and energetic.

The background is an abstract composition of various-sized triangles in two shades of blue: a vibrant medium blue and a lighter, sky-blue. These triangles are arranged in a non-repeating, geometric pattern that creates a sense of depth and movement. The text 'MEETING ROOMS' is centered horizontally and vertically over this pattern.
