

OPENING SCHOOL FACILITIES 2024

A SPECIAL OFFER FROM PLAYINNOVATION™
IN COLLABORATION WITH LONDON SPORT AND STREET GAMES.

WHO ARE WE?

Playinnovation are proud partners to London Sport and are specialists in tackling inactivity and inequality in children and adults of all ages and abilities.

We do so by accessorising recreational spaces such as playgrounds and ball courts with innovative, low maintenance, non-electronic target games that can be played in a hundred ways and attached to almost any wall or fence.

Our combined goal is to get as many people active as possible by working in as many schools as possible and installing fun, innovative games that can be played by kicking or throwing any shaped ball at the patented games walls. In fact, you don't even need a ball!

A MULTITUDE OF POSITIVE OUTCOMES FOR YOUR SCHOOL HERE ARE JUST A FEW...

- **Innovative Extra-curricular activities** for inside and outside of the school day
- **Parent and Community Involvement.** Games that can involve parents and the community in after-school activities bringing families and the community together, fostering a supportive environment for physical activity.
- **Engaging Gameplay.** All target games are non-electronic, zero maintenance and designed to be engaging and enjoyable, capturing the interest of children and encouraging them to participate actively. The manually interactive and dynamic nature of the games keeps children motivated to move and stay physically active.
- **Activation workshops** carried out by Street Games.

One free session included with EVERY order!

GET THE BALL ROLLING AT YOUR SCHOOL.

Join other OSF partner schools that are already on-board including:

- Harris Academy Peckham
- Crystal Palace
- Stanborough Primary School
- Ripple Primary School
- Ridgeway Primary School and Nursery
- The Avenue Special Needs School
- Harris Battersea
- Harris Clapham
- Harris Lowe
- and more...

**NO ELECTRONICS
INVOLVED**
OUR GAMES PROMOTE
ANALOGUE PLAY

'We purchased three Playinnovation games as part of the OSF funding and they have made a really positive impact to our pupils and playtime during and after school time.'

Martin Rose:

Head of PE at Ripple Primary School

The image shows two outdoor game panels mounted on a fence. The left panel is green and titled 'Mini Crossbar Climb' by Play Innovation. It features four horizontal bars of increasing height and difficulty: a yellow base bar (5 points), a blue bar (10 points), a red bar (20 points), and a white top bar (50 points). A 'CHAMPION!' banner with checkered flags is at the top. Warnings include 'FOUL SHOT GO DOWN ONE BAR' and 'HAZARD GO BACK TO BASE'. The right panel is black and titled 'Mini Crossbar Shootout' by Play Innovation. It features four horizontal bars of increasing height and difficulty: a yellow bar (100 points), a pink bar (50 points), a blue bar (25 points), and a green bar (10 points). The letters P, A, M, H, and C are positioned around the bars. Two game instructions are provided: 'Game 1. How many points can you get in 3 shots?' and 'Game 2. Spell CHAMP in as few shots as possible.' A red banner at the bottom of the image states: 'INCLUDES FREE ACTIVATION WORKSHOP BY STREET GAMES WORTH £400'.
